A Letter From Santy Claus to Irvington Hardware and Implement Co.

Chicago, Ill., Dec. 7th, 1914.

Irvington Hardware & Imp. Co.,  
Irvington, Kentucky.

Gentlemen:—

The federal authorities have quarantined here on account of my Rein-Deer having become infected with the dreaded "Foot and Mouth" disease. For that reason it will be impossible for me to reach Irvington this Christmas; so I have decided to make your store my headquarters, and appoint you my agent to distribute my big supply of Christmas goods.

Among the numerous things I am shipping you today, you will find for the little boys and girls, Doll Chairs, Rocking Horses, Shoo-Fly, Banks, Sparklers, Pistols, Stoves, Blocks, Trains, Horns, Rubber Dolls, Etc. For the grown up folks you will find Cut-Glass, Cassaroles, Baking Dishes, Silverware, Fancy China, Flashlights, Buffe's, Sideboards. Rocking Chairs, Desks, and all kinds of Elegant Furniture. And, by the way, the prices are the lowest ever, and the quality can't be surpassed.

Do not fail to notify every body in and around Irvington of my terrible predicament so they will not be expecting me, and can avail themselves of this splendid opportunity to secure their Christmas needs of you.

Wishing you a Merry Christmas, and hoping to see you in person in 1915,

I am, yours very truly,  
**OLD KRISS KRINGLE.**

## THEY ALL DEMAND IT

**Cloverport, Like Every City and Town in the Union, Receives It.**

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but not permanent. Doan's Kidney Pills have brought lasting results to thousands. Here is proof of merits from this vicinity.

W. M. Young, farmer, R. F. D. No. 3, Hawesville, Ky., says: "One of my family had pains in her sides and across the small of her back. Seeing Doan's Kidney Pills so highly recommended in the local papers, she got a supply at Gibson's Drug Store and began using as directed. In a short time, she was cured. She hasn't had any further need of a kidney remedy."

Price 50c, at all dealers. Don't simply ask for a kidney cure—get Doan's Kidney Pills—the same that Mr. Young recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

## QUIETING DOWN IN MEXICO

**Villa and Zapata Said to Be Working in Harmony.**

Washington (Special): So far as is known by the Washington government, the Villa and Zapata chiefs are working in harmony, though a tendency on the part of some of the latter to form alliances with former federalists and former Huerta adherents is causing some uneasiness. Conditions in the City of Mexico have been quiet for the last several days.

Secretary Bryan said that the government has not been advised of a proclamation reported from El Paso in which Generals Salazar and Campa announced the beginning of a new revolutionary movement independent of the Carranza, Villa or Zapata factions.

## PRICE BEING PAID FOR WAR

**The Ninety-first Official German Casualty List.**

Copenhagen (Special): The ninety-first official German casualty list brings the total Prussian losses in killed, wounded and missing up to 658,483. This does not include the 69th Wurttemberg, 67th Saxon and 88th Bavarian lists. The severe losses suffered by the Bavarians excites surprise. The Tenth Bavarian regiment

lost 1,600 out of 3,000 in the fighting against the British in Flanders, and three other regiments lost more than 1,000 each. Generals Henning, von Oswald and von Grumbkow were among the killed.

The lists show an average daily loss of the Austro-Germans for four months of 20,000.

**Invigorating to the Pale and Sickly**  
The Old Standard general strengthening tonic, GROVE'S TASTELESS CHILL TONIC, drives out Malaria, enriches the blood, and builds up the system. A true tonic. For adults and children. 50c.

## THREE MINERS MET DEATH

**A Fourth Was Probably Fatally Injured When Slate Fell.**

Terre Haute, Ind. (Special): Emory Benjamin, John Bones, and Jacob Driesacht were killed and John Miller was injured probably fatally, as the result of a slate fall at the Speedwell mine near West Terre Haute.

A strip of slate about thirty feet long and four feet wide, with a maximum thickness of about ten inches, fell on them. The mine will be closed until an examination has been made by the coroner and the state authorities.

## The Austrian Statement.

Vienna (Special):—The Austrian official statement says: "The battle in Poland is progressing favorably. The Austro-Germans yesterday attacked the Russians in western Galicia. We captured 2,200 prisoners."

San Domingo, Dec. 7.—Juan Isidro Jimenez, who was proclaimed president of San Domingo by congress, has taken the oath of office. The situation is quiet. The inauguration of President Jimenez gives the republic its first regular president elected since the assassination of General Caceres in 1911.

## Insanity Is His Plea.

Petersburg, Ind. Dec. 7.—Attorneys for the defense in the Carl Morton murder case, transferred here from Gibson county, have entered a plea of insanity in behalf of their client. Morton killed a man at Princeton after a quarrel about a card game.

## GERMANS CAPTURE THE CITY OF LODZ

**Valuable Gain On the March to Warsaw.**

Berlin, Dec. 7.—It is officially announced that the Germans occupied Lodz on Sunday.

London, Dec. 7.—The anxiety felt in Petrograd and reflected in Paris and in this city as regards the new developments in Poland, would be impossible to underestimate. The hour is at hand for the combats which may well determine the campaign in the east. Upon the operations of the next few weeks depend not merely whether Russia is to seize Silesia and go forward to Berlin, but whether the allies in the west are to maintain the offensive.

By exertions which dwarf any previous efforts, Germany has repaired her terrible losses between the Warthe and the Vistula, has withdrawn battered armies from the very jaws of the Russian trap, has hurried vast numbers from East Prussia, Posen, Silesia and even from Belgium and France, has solidified a battle line which stretches from Miawa on the frontier of East Prussia and Poland to Cracow, and is obviously ready and determined to brave the terrors of winter and the superior numbers of the Russians in a third endeavor to seize Warsaw and the whole Vistula line southward to Sandomierz.

From a battle front of 300 miles, in which there are few gaps that are not amply protected by nature, the Germans are poised for the new attack which will certainly produce the most sanguinary and ferocious fighting the world has ever known.

For several days the news has indicated that there have been no recent pitched battles, but rather a series of day and night engagements between relatively small forces of infantry—the Germans repelling assaults while reforming and strengthening their line.

## EVACUATION OF VERMELLES

**A Part of Concerted Plan, Says German Official Report.**

Berlin, Dec. 7.—"Reports of a retrograde German movement on the Yser canal are untrue," says an official statement. "The evacuation of Vermelles, southeast of Bethune, was according to a concerted plan. Its re-

## The Breckenridge News

There is dew in one flower and not in another, because one opens its cup and takes it in, while the other close itself and the dew runs off. So God rains goodness and mercy as wide as the dew; and if we lack them, it is because we open not our hearts to receive them.
